

Supporting One Another Through Grief

Your name:

Today's date:

The Congregational Care Team is considering ways we can better support members of our community who have experienced the loss of a loved one. This remembrance form is one part of an overall effort to support those who are grieving, not just immediately after a death, but also during the months and years that follow. We plan to create a remembrance list that we will publish in the Chimes and First Notes email news and raise up in the community prayers each month.

If you would like the acknowledgement and support of our community as you grieve a significant loss, please name those you would like us to remember with you. You might wish to include family members, close friends, or co-workers who have died, the loss of a pregnancy, or any other death that has been significant for you, for instance, the death of a beloved pet. The loss need not be recent for us to remember with you.

The use of this form is completely optional.

Please return this form to the church office (office@firstchurchmn.org). The form will also be shared with Jane McBride and Linda Valerian.

Name of your loved one	Relationship to you	Date of death	Date(s) you would like us to remember. This could be any important date—birthday, anniversary, anniversary of death—please share the date(s) and significance.
